Internet Sales

The sale of Labrazel products on the Internet is strictly prohibited without the prior consent of Labrazel.

Product Care and Cleaning

Labrazel products are solidly constructed, but like any fine, handcrafted products, they should be handled with care. Our products are not dishwasher-safe and should not be cleaned with harsh detergents or abrasive cleaners. Wood and leather products should be kept dry.

Pump Dispensers

Our pump dispensers should be flushed and cleaned with water to prevent and clear clogs, particularly after periods of disuse. If your pump stops working, it is most likely due to a clog. We offer easy-to-follow instructions for clearing a clog, or you may send the pump to us for service. For details, visit the Product Care area on our website or contact us.
